

IASP Application – Part II

Name:

Include Cover Sheet

Include Signed Commitment Sheet

Answer each of the following questions (for each of Parts 3-6, please provide a substantial paragraph):

1. What is your immediate degree objective?
2. What is your eventual degree objective?
3. What area of cybersecurity interests you the most?
4. What notable skills do you bring to the program?
5. What are your career plans after completing the SFS program?
6. Briefly describe your most notable cybersecurity experience to date.

Supply Up-to-Date Resume (in main application only)

Supply 2-3 letters of recommendation (in main application only)

Each letter should be from someone who knows you well and who can write in detail about your accomplishments and potential.

At least one letter must be from a faculty member (preferably tenured or tenure-track) from your current school (if you are currently enrolled) or from your previous school (if you are not currently enrolled).

Each letter must be a signed original on letterhead.

Supply Official Transcripts from all Post-Secondary Schools that you attended (in main application only)

Application should be submitted on 8.5 x 11 in. white paper, single-sided, with no staples, clips, folders, or binders. Deliver to address below (no electronic submissions will be accepted):
